Reference: Year End Report (11/27/12-12/31/12)

Dear Mr. Forkiewicz:

This letter is in response to your request for additional information, dated April 16, 2013.

1. All negative entries listed on Line 11(a)(i) were chargebacks, not refunds. They were recorded as negative receipts.
2. The above referenced report has been amended to show matching vendor credits on schedule A, line 17 for all negative entries on disclosed on Schedule E.
3. Your letter indicates that the Committee may have failed to file and timely file one or more of the required 24 hour reports for independent expenditures:

**Missing Notices:**

Poupart's Baker 11/27/12 \$418.61: The Committee received the invoice after the IE filing and was unaware of the charge at the time that it occurred. The Committee reported this on the monthly filing because it had missed the 24 hour report.

Freedomworks 11/30/12 \$2687.34: The Committee files estimated salary and overhead amounts on 48 hour/24 hour notices, then files any adjustment necessary at the end of every month.

USAirways 11/30/12 \$887.70: The Committee received the invoice after the IE filing and was unaware of the charge at the time that it occurred. The Committee reported this on the monthly filing because it had missed the 24 hour report.

The Committee notes that is filed hundreds of 24 and 48 notices of independent expenditures accurately and on time. The above list is a small percentage of the overall number of notices filed.

Sincerely,

Russ Walker
